Fellow
Network

3rd Midwest Nephrology & Transplant Symposium

Learning Objectives:

- Describe TMA in a kidney biopsy, differential diagnosis, approach and treatment.
- Review utilization of deceased donor kidney transplants, marginal donors, and learn about nurse, surgeon, and OPO prospective.
- Discuss the management of immunosuppression medications and the use of new formulas/agents.
- Review of HLA, cross-match and PRA.
- An intensive ultrasound workshop to examine volume status in heart, lungs, and IVC.
- Practice US-guide line placement and kidney biopsy.

Washington University Faculty:

Enyo Ablordeppey, MD

Tarek Alhamad, MD*

Diego Casali, MD

Liu Chung, MD

Rowena Delos Santos, MD

Joseph Gaut, MD

Brittany Heady, PA-C*

Mohammed Helwani, MD

Timothy Horwedel, Pharm D

Andrew Malone, MD

Brent Miller, MD

Jason Wellen, MD*

Heather Wertin, RN*

Helen Wijeweera, NP

Guest Speakers:

*Rita Alloway, PharmD
University of Cincinnati*

*Daniel Brennan, MD
John Hopkins University*

*Anil Chandraker, MD
Harvard University*

*Thomas Christie, MD
University of Iowa*

*John Friedewald, MD
Northwestern University*

*Raymond Heilman, MD
Mayo Clinic Arizona*

*Alicia House, RN
Mid-America Transplant*

Krista L. Lentine, MD, PhD
Saint Louis University*

*Hani Wadei, MD
Mayo Clinic Florida*

*Alexander Wiseman, MD
University of Colorado*

*** Planning Committee**

Midwest Nephrology & Transplant Symposium

Agenda

Fri 9/8/2017

5:30- 6:00 pm

TMA Workshop

Complement system and renal diseases, Rowena Delos Santos

12:15-1:00 pm

Lunch (provided)

6:00- 6:20 pm

TMA is a kidney biopsy, differentials? Joseph Gaut

1:00-1:30 pm

Genetic testing, for who? for what? Thomas Christie

6:20-6:50 pm

TMA in a kidney biopsy, treatment approach and outcomes? John Friedewald

1:30-2:00 pm

Living donor eval and risk assessment, Krista Lentine

6:50-7:10 pm

TMA/aHUS case discussions, Brittany Heady and Helen Wijeweera

2:00-2:30 pm

Infection, malignancy, and Immunosuppression, Daniel Brennan

2:30-3:00 pm

When to combine a kidney with a liver transplant ? Hani Wadei

Sat 9/9/2017

7:30-8:00 am

Deceased Donor Workshop

Continental breakfast

3:00-3:20 pm

Concepts of PRA, DSA, and cross match, Liu Chung

8:00-8:20 am

Preimplantation biopsies, path review, Joseph Gaut

Sun 9/10/2017

Ultrasound Workshop

Directed by Enyo Ablordeppey

8:20-8:50 am

Utilization of marginal kidneys, Raymond Heilman

7:00-7:30 am

Continental breakfast

8:50-9:10 am

How did I get this kidney? OPO view, Alicia House

7:30-8:00 am

Basic Principles of Ultrasonography, Enyo Ablordeppey

9:15-9:25 am

How did I get this kidney? Nurse view, Heather Wertin

8:00-8:30 am

Basics of Lung Ultrasound, Diego Casali

9:25-9:45 am

Should I use this kidney? Surgery view, Jason Wellen

8:30-9:10 am

Basics of Cardiac Ultrasound, Mohammed Helwani

9:45-10:00 am

Break

9:20-10:20 am

Hands-On: Lung and Cardiac Ultrasound

Immunosuppression Workshop

10:00-10:30 am

Tac: IR, ER, or LCP, does it matter? Rita Alloway

10:20-10:30 am

Break

10:30-11:00 am

When should we use induction therapy, Anil Chandraker

10:30-11:00 am

Basics of Renal and Bladder Ultrasound, Brian Wessman

11:00-11:30 am

Improving long-term allograft survival, Alex Wiseman

11:00-11:30 am

Procedural Ultrasound: Vascular Access and Biopsy, Enyo Ablordeppey

11:30-11:50 pm

Co-stimulation blockade in clinical practice, Rita Alloway

11:30-12:30 am

Hands-On: Renal Ultrasound and Vascular Access

11:50-12:10 pm

The use of mTORi in solid organ transplant, Tim Horwedel

12:30-1:00 pm

Wrap Up and Evaluation

Accommodations:

Make your hotel reservations directly with the hotel and indicate that you are attending a Washington University seminar to receive our special rate.

- **Home2 Suites St. Louis/Forest Park**[Two blocks from the conference site] . (314) 531-4446, 920 S. Taylor Ave., St. Louis, MO 63110

Accreditation:

Washington University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit:

Washington University designates this live activity for a maximum of **13 AMA PRA Category 1 Credits™** and **13 Continuing Education Units**. Providers should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy:

It is the policy of Washington University School of Medicine, Continuing Medical Education, that planners, faculty and other persons who may influence content of this CME activity disclose all relevant financial relationships with commercial interests in order for CME staff to identify and resolve any potential conflicts of interest prior to the educational activity. Faculty must also disclose any planned discussion of off-label/unapproved uses of drugs or devices during their presentation. Detailed disclosures will be made in activity handout materials.

Audience:

This live activity is designed for health care professionals including physicians in training, pharmacists, nephrologist, transplant surgeons, transplant coordinators, and nurses who are interested to learn more about “Kidney Transplantation”.

The intended results of this activity is increased knowledge, competence, performance, and improved patient care. At the conclusion, participants will be able to apply the latest clinical trials results in the management of kidney transplant recipients.

Registration Fees:

Main Course (Sep 8 and 9): \$90
Residents & Fellows: 50% discount
Wash U and SLU staff: 50% discount

US Course (9/10/17): \$400
Residents & Fellows: 50% discount

CME or CEU credits: Optional with an extra \$100

Ways to Register :

Online secure and immediate payment confirmation.
